ROYAL

The Absolutely Pure Baking Powder

Made of Cream of Tartar, and Free From Alum or Phosphatic Acid

Royal Baking Powder renders bread, biscuit, cake and all flour foods finer and more healthful

Baking powders made from alum, phosphates and other harsh, caustic acids are lower in price, but they are injurious to the stomach.

"The injurious effect of alum on the mucous coat of the stomach is positive and beyond dispute; it is both an irritant and an astringent. The use of alum in any article of food or article used in the preparation of food should be prohibited." JOHN C. WISE, M.D., Medical Inspector, U. S. Navy.

Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

Portland, Oct. 20.-Compartive quiet continues to prevail in the wholesale fruit districts of Portland, and dealers are inclined to become alarmed over the @24c. prospects. Little or no demand appears all kinds, except apples, are inclined to 11e; geese, live, 8683c; dressed, 9@ to drop in order that stocks may be 10c; turkeys, live, 14@15c; dressed, 18@ white, 3 1-2c; pink, 3c; bayou, 4 3-4c; moved before decay sets in.

Business men along Front street attribute the lack of demand to the sudden spell of cool weather and to the closing of the exposition, and the conse quent falling off in travel. "The business of the hotels and restaurants has fallent off considerably since October 15," one wholesaler explained today. "and we must now depend upon our old trade that existed before expositiontime ensued. It will not pay to place perishable fruits on the market to any extent until the demand becomes nor mal again, and this will take a month or six weeks at least."

In the meantime, large quantities of grapes, the last of the season, are piling up in the warehouses, with little or no demand. Prices on grapes were marked down materially this morning in order that a proportion of those coming in might be moved immediately.

Retail grocers who make daily visits to Front street to replenish stocks complain of extremely high prices. "Eggs, butter, cheese and canned fruits are inordinately high," these retailers say, "an by the time the profit of the small dealer is added the cost seems enormous to the consumer.
